Sizzling Summer Camp endorsed by Cayman National

The Youth Services Unit Sizzling Summer Camp received the endorsement of Cayman National through its continued sponsorship support.

The camp series carried the themes: Prep for Life, Work for Life and Food for Life focusing on etiquette and work ethics, carpentry and auto mechanics and the art of Caymanian cooking respectively. The training and demonstrations were all directed by highly trained members of the Youth Services Unit and other local specialists in the various fields.

“It was so exciting to see the level of participating and the actual results of the efforts of these young people at the end of the week, and Cayman National was once again very happy to support initiatives such as these that benefit our children and young people” said, Claudia Welds of Cayman National’s Corporation Communication Unit.

James Myles, Coordinator of the Youth Services Unit, expressed appreciation on behalf of the YSU and added, “We can always count on Cayman National’s support of our summer programmes, and thank them once again for their generosity.”
