Senior Mothers Made to Feel Special by Supported Cayman National

Approximately 50 senior ladies were made to feel special at a recent post Mother's Day Brunch held at the Family Life Centre in their honour.

The Brunch is an annual event hosted by the Women of Grace, and once again this year received financial support from Cayman National.

The Women of Grace is a group of friends, (mainly from the district of West Bay), who, for over twenty years, have been reaching out to elderly ladies within the districts of West Bay and George Town, and the Mother's Day Brunch is just one of the ways that they pay homage to the elderly.

"We count it a privilege for the opportunity to reach out to our senior ladies within the community, and especially wish to thank Cayman National for their continued generosity over the years" said Francia Lloyd, member of the Women of Grace.
