Wireless  
Terminals  
Are Here!

**Cayman National is the first bank in the Cayman Islands to offer Point-of-Sale wireless terminals.**

### **MOBILITY**

Cayman National's wireless terminals provide the business customer with improved efficiency and complete mobility. Transactions can be processed on the road or even at sea wherever a cell phone signal can be received.

### **UNLIMITED TRANSACTIONS**

One fixed monthly payment for unlimited transactions including all telecommunication costs.

Contact one of our Merchant Service Representatives today at **345 949 4655** for a demonstration and information on our wireless terminal package, or visit our web site at **www.caymannational.com**.
