- 14.2 Upon receiving an application for Online Banking Services, Cayman National will assign the Customer to a Single User Profile, or a Multi User Profile, for Online Banking purposes.
- 14.2.1 Under the Single User Profile, only one User may issue Electronic Customer Instructions. As a result, one person only (i.e.: one User only) may issue Electronic Customer Instructions and no other person verifies or approves Electronic Customer Instructions. (Typically, Single User Profiles include personal Customers, and small business Customers).
- 14.3 This Section 14.3 and its subsections apply to Customers using the Multi User Profile:
- 14.3.1 Customer confirms and acknowledges that, when using Online Banking, control over all of the Linked Accounts and the Customer's financial transactions rests with the Customer's appointment of the Master User(s), and any controls the Master User(s) then implement. The Master User(s) have the authority and ability to:
- (a) create, establish, change, and inactivate other Users (including other Master User(s));
 - (b) establish and change Users' rights, abilities to view or transact, transaction limits, daily limits, and authorisations;
 - (c) change Account Controls (including Services used).
- As such, the Customer acknowledges and confirms to Cayman National that it is aware and consents that the Master User(s) may override any other Customer Instruction or mandates the Customer may have informed Cayman National.
- 14.3.2 The access rights and limits set by the Master User(s) apply to all Linked Accounts.
- 14.3.3 Customer will appoint the initial Master User(s) on the Online Banking Application Form and/or any Supplement(s). The Master User(s) will register for Online Banking Services online and establish all Users and their authorities and limits.
- 14.3.4 If the Customer is not a natural person (e.g.: a company, partnership, etc.), the legal controllers of the Customer (e.g.: if a company, then directors; if a partnership, then the general partners) must authorise the designation of a Master User(s) or any changes thereto. Persons who are merely authorised signatories are not authorised to appoint or amend Master User(s).
- 14.3.5 Customer must provide the names, and Know Your Customer (KYC) documents as requested by Cayman National of the persons who will be Master Users and Authorisers.
- 14.3.6 A Related Party may appoint a Controlling Customer to control any of its Linked Accounts. As such, the Related Party cedes all Account Control to the Controlling Customer.
- 14.3.7 Any Controlling Customer that receives Account Control from a Related Party accepts all responsibility for the Linked Accounts under these Terms and Conditions, as if the Related Party's Linked Accounts were those of the Controlling Customer.
- 14.4 The Customer can set its own limits below the Single/Multi User limits set by Cayman National.
- 14.5 Customer acknowledges that each Authoriser, and each User, may (depending on his or her own citizenship or residency status) have an obligation to report information relating to the Customer's Accounts to regulatory authorities or agencies outside of the Cayman Islands, including the United States of America, and that Cayman National may have similar reporting obligations.
- 14.6 Customer specifically agrees and understands that any prior or other requirement or Customer Instruction to Cayman National to verify any signatures on any type of transaction, or to limit any transaction in any way, does not apply to any Electronic Customer Instructions received through Online Banking. Customer acknowledges that limitations on individual or joint authority to transact any business under the Other Mandates do not apply to Electronic Customer Instructions in Online Banking. Customer must establish (or re-establish) its own Account Control (eg: authorisation limits) through its Master User(s) in accordance with the Online Banking Guides.
- 14.7 Customer acknowledges that the User(s) (to the extent authorised by the Master User(s)) will be able to view and access each of Customer's Linked Account(s) in any manner and for any purpose available through Online Banking Services whether now available or available at some time in the future.
- 14.8 Customer and all Users agree to comply with all instructions or recommendations Cayman National may issue regarding Online Banking security including, without limitation, the security recommendations contained in the Online Banking Guides. Customer agrees that it is solely responsible to establish, maintain and regularly review security arrangements concerning access to, and use of, Online Banking Services, and information stored on computing and communications systems, Users' control of Passwords, and access to Online Banking.
- 14.9 Customer confirms that it has assessed the Security Procedures for Online Banking and determined that these features, in combination with its own security measures, are adequate to protect its own Linked Account(s) and its own banking needs.

- 14.10 Customer must ensure that Users keep his or her own User name/Password secure and secret at all times and take steps to prevent unauthorised use of their User name/Password provided or created by them. Each User name/Password acts as a signature signifying authority and authenticity. Passwords may be changed by the User at anytime by following instructions in the Online Banking Guides.
- 14.11 Customer (or Master User) must notify Cayman National immediately of any known or suspected unauthorised access to Online Banking or the Website or any Linked Account, or any unauthorised transaction or instruction.
- 14.12 Because Online Banking Services are accessed through the internet, which is a public system over which Cayman National has no control, Customer acknowledges that it is solely responsible to ensure that any computer, phone, or other device which is used to access Online Banking Services is free from and adequately protected against acquiring computer viruses, security breaches or spy ware, and other destructive, invasive, or disruptive components.
- 14.13 Customer agrees that it is solely responsible for the performance and protection of any browser used in connection with Online Banking, including the prompt adoption of all security patches and other security measures issued or recommended from time to time by the suppliers of such browsers.
- 14.14 At certain times the Online Banking Service may not be available due to system maintenance or circumstances beyond Cayman National's control. During such times, or if for any reason a Customer cannot access Online Banking Services, contact Customer Support.
- 15. Power of Attorney**
- 15.1 The Customer may appoint an attorney-in-fact to act in respect of the Account, subject to Cayman National's policies and procedures. and so long as Cayman National has not received written notice that the appointment is invalid.
- 15.2 In its discretion, Cayman National may choose not to accept an appointment of an attorney-in-fact that is greater than 5 years old. Each attorney-in-fact must provide satisfactory Know Your Customer documents in accordance with Cayman National's policies and procedures.
- 15.3 Cayman National may choose to verify the validity of any appointment of an attorney-in-fact, and may choose not to act, or may delay in acting, on the directions of an attorney-in-fact. The Customer waives and holds Cayman National harmless for any and all actions, claims, costs, demands, damages, expenses, losses and liabilities incurred or sustained if Cayman National acted, acted incorrectly, delayed in acting, or did not act on the instructions of a person purporting to act as an attorney-in-fact, except where Cayman National has been grossly negligent or acted with wilful misconduct.
- 15.4 If any Customer intends to appoint an attorney-in-fact to a joint Account, then it is the obligation of the Customer to notify all other joint Account holders that the attorney-in-fact will act on behalf of the Customer in relation to such Account.
- 16. Joint Accounts**
- 16.1 If more than one person is an account holder of an Account, then all such persons hold the Account as joint tenants, and not as tenants in common. Each account holder will be treated equally, with no person having any greater rights or access to the Account, irrespective of whether the Account was opened jointly at first instance, or whether the Account was made joint after the Account was opened.
- 16.2 Unless the Customer specifies in writing otherwise and subject to this clause, any one account holder of a joint account may give Cayman National instructions with respect to the Account, including withdrawal of any portion of or the entirety of funds in the Account; sign cheques on the Account; accept Statements, documents, notices or other information relating to the Account; deposit to the Account.
- 16.3 Irrespective of signature authority requirements (i.e.: whether a joint Account requires one person to sign, or two or more to sign), upon the death of a joint account holder, each surviving Customer continues as an account holder until there is no surviving Customer, in which case the Account forms part of the estate of the last surviving Customer only.
- 16.4 Other than Accounts that Cayman National closes on its own initiative, each Account holder must authorise the opening and closing of the Account, and the addition or removal of any other Account holder to that Account, subject to clause 16.5.
- 16.5 In instances where a joint Account requires one person to sign (and not two or more to sign), an Account holder may request Cayman National to remove that Customer from the joint Account, providing that there are no credit facilities linked to such Account (including loans or overdrafts). Cayman National may decline to remove a Customer as an Account holder from a joint Account, subject to Cayman National's policies and procedures (which may be amended from time to time). If a Customer is removed as an Account holder, the Customer must notify all other joint Account holders of the change.
- 16.6 Upon the closing of a joint Account, the proceeds of the Account will be disbursed as directed by all of the account holders jointly, or in default, by cheque or bank draft payable to all account holders jointly posted to the address on file.
- 16.7 Any liabilities owing to Cayman National arising in any joint Account are owed jointly and severally by the Account holders.
- 17. Indebtedness**
- 17.1 Cayman National may debit an Account at any time if a cheque, instrument or other item or transaction is dishonoured or not paid for any reason whatsoever. The Customer waives presentment for payment, notice of dishonour, protest and notice of protest on all cheques, instruments and other items requiring such action.
- 17.2 Unless Cayman National explicitly agrees otherwise in writing, Cayman National may apply any credit balance in any Account against any debt or liability the Customer owes to Cayman National or any Affiliate, without notice, whether as primary obligor or guarantor, and/or retain a debt collection service for such purposes.
- 17.3 Cayman National may use any collateral held as security for any purpose as security for any unauthorised indebtedness, without any obligation to provide notice to the Customer, and to apply that security to that the indebtedness.

**18. Statements and Acceptance of Records**

- 18.1 Cayman National may prepare a regular statement of account, made available to the Customer via Cayman National's Online Banking service.
- 18.2 Although Cayman National has no such obligation, Customer may request Statements to be printed and delivered. Fees will be charged at the prevailing rate listed in the Schedule of Fees.
- 18.3 Each statement of account will be deemed to have been received by the Customer, on the earlier of: the day it is actually received; the day on which the Customer becomes aware of facts that reasonably put the Customer on enquiry as to the possibility of errors, omissions or irregularities affecting the Account including any fraud or unauthorised activity; or 10 calendar days after the statement is dispatched or posted or made available through Online Banking, whether the statement of account is actually received. The Customer shall further be deemed to have received a statement of account each time the Customer accesses Online Banking.
- 18.4 Customer agrees to examine every statement of account as soon as it is available on Online Banking or is deemed to have been received. If the Customer disputes any transaction, the Customer must notify Cayman National in writing by the earlier of (a) 10 calendar days after the statement has been prepared, or (b) 30 calendar days after the transaction has been recorded.
- 18.5 If the Customer has not lodged a written dispute within the time frames indicated in Section 18.4 above, the Customer agrees that Cayman National's records are conclusive evidence of dealings with Cayman National regarding the Accounts and are correct, complete, authorised and binding upon the Customer, and Cayman National is and will be released from all responsibility for Account activity preceding the statement of account pertaining to such errors, omissions, irregularities, fraud or unauthorised activity, including Cayman National's negligence, (but excluding such due to gross negligence or wilful misconduct).
- 18.6 The Customer agrees not to object to the admission of Cayman National's records, including Statements of account and computer records, as evidence in any legal proceeding on the grounds that such records are not originals, are not in writing, are hearsay, or are documents containing information extracted from a computer or other electronic medium. In the absence of evidence to the contrary, Cayman National's records are conclusive for all purposes, including litigation, in respect of any Customer Instruction to Cayman National, and any other matter or issue relating to any Account.

19. Dormant and Inactive Accounts

- 19.1 Accounts that have had no Customer-initiated transactions for one year may be subject to inactivity fees. The Customer may reactivate an Account in accordance with Cayman National's policies and procedures. Cayman National may close any Account immediately if a Customer or Connected Person exhibits abusive behaviour to, or threatens, any member of Cayman National employee or director. Cayman National will have no liability to the Customer for any loss or inconvenience or consequential losses that may result from any closure, unless caused by Cayman National's gross negligence or intentional wrongful act.

- 20.3 These Terms and Conditions shall survive the close of an Account, or termination or withdrawal of Cayman National's services and will continue to apply with respect to determination of responsibility and resolution of all disputes for events, acts or omissions occurring before or circumstances as exist as at the time of closure, termination or withdrawal.
