### **Dear Customers, Clients, and Shareholders,**

As we are all aware, we face some unprecedented challenges at this time as a result of COVID-19.

We fully recognize the need to protect our staff, customers and clients and as events unfold, we will be in continuing communication with you on what we are doing to support you and provide all the required services in a way that protects the health and safety of all.

Customers requiring banking services are encouraged to use our on-line banking facilities and our extensive ATM network.

At this time we are very conscious that many of our customers will require economic and financial support. We have a reputation for providing sympathetic help and support and I can assure you that Cayman National stands ready, willing and able to assist our clients in good standing by waiving up to 3 months' loan payments. Please contact your Loan Officer if you wish to avail yourself of this assistance.

Cayman National Securities and Cayman National Fund Services remain ready and available to continue to serve you. Please note that face-to-face meetings are discouraged, so we encourage utilization of our telephone and email contact information.
